

**Gianni Torta**

Director at ISOPro

**3 TIPS**

**TO REDUCE ERRORS IN  
YOUR COMPLIANCE  
FRAMEWROK.**

# Gianni Torta

---

Director at ISOPro

**In compliance, fixing errors costs precious time.**

For example, manual reporting may lead to inaccurate data and missed fields that take time to fix.

Director at ISOPro

**My Tip:  
Use Rule-Based, Smart  
Templates.**

Director at ISOPro

## Incorporate Field Rules

This ensures question fields are answered correctly, using the correct values or options.

Director at ISOPRO

## Validate entries on-the-fly

Catch formatting issues, missing info, or incorrect data before it moves forward.

Director at ISOPro

## Trigger the next step automatically

No more chasing approvals or wondering what's next. Automated workflows keep things moving.
